

Dear Prospective Staff member,

Thank you for your application to work at Rapidan Baptist Camp as a summer staff employee. There will be several steps required before a contract can be sent to you for employment.

1. Application fully filled out
2. 2 character references received
3. Background Check
 - a. If you are under the age of 18, please let your parent know that you are filling out background check information
4. Child Safety Training Video
 - a. Must pass the test with 80% or higher
 - b. Under the age of sixteen, please let your parents know you are taking this course
 - c. Will be sent after completion and results of background check
5. Over the Phone Interview

Completing these five steps does not guarantee employment at Rapidan Baptist Camp, however, you will only receive information on employment for the summer after they are complete.

The summer camping season lasts from June 6 – August 18. This consists of ten and a half weeks.

Summer Staff help is a volunteer position, unless otherwise noted. You will receive a small stipend each week of \$50.00. We also encourage you to raise support.

Since the camping season is basically 10 weeks, it would be nice if you could find 10 individuals or churches that would give you a matching gift and pray for you during each one of your weeks at camp. This is not a requirement only a suggestion, a template letter can be provided at your request.

If you have any questions about this process, please feel free to contact me.

If you desire to continue the process of employment opportunity, please follow the link below to fill out your background check. **If you are under the age of 18, you must get your parents to fill out this background check information for you. Having your parents fill out this information means that they give consent for this background check.**
